Dear Members

I am pleased to announce that the committee will be putting a proposal forward at the A.G.M. for the subscription for 2009 to be £ 125 with a £ 10 reduction if paid before the end of January.

This amount reflects the excellent work done this year by the committee in bringing down the cost of running the club.

May I remind members that this is due from 1st January and early payment will be gratefully appreciated

P Fildes Hon. Secretary
